

For our partners we have launched a webshop. It is available only to our distributors (B2B) and prices will be visible only for logged users.

The internet shop is available here: www.carparts.com.mt/shop

This shop is a supplement to our current offer and includes, for example:

- air fresheners and car cosmetics,
 - various car accessories (e.g. number plate frames, jump leads),
 - batteries,
 - seat covers, protective covers and floor mats,
 - hand tools,
 - wheel covers,
 - universal lighting,
 - windscreens and accessories,
- and many others.

The offer will be continuously expanded and updated according to the needs of our customers.

If you are interested to have the access to the shop, please send us an e-mail to receive login details, so you could view the whole offer with prices.
